ON PETITION

This is a decision on the petition under 37 C.F.R. § 1.137(b), filed January 28, 2006, to revive the above-identified application. The Office regrets the delay in acting on the petition.

The petition is **GRANTED**.

The petition satisfies the conditions for revival pursuant to the provisions of 37 CFR 1.137(b) in that (1) the reply in the form of a previously submitted Response (January 13, 2003); (2) the petition fee; and (3) the required statement of unintentional delay have been received. Accordingly, the response has been accepted as having been unintentionally delayed.

The above-identified application has been abandoned for an extended period of time. The Patent and Trademark Office is relying on petitioner's duty of candor and good faith and accepting the statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional.<sup>1</sup>

This matter is being referred to Technology Center 3600 for further examination on the merits.

Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3282.
